

20-FOOT CARGO TRAILER

Maximize hauling productivity.

Haul 30,000 lbs. (13,608 kg) of cargo on this large trailer. It features removable, indexable roller sections that allow customization for side or end loading. A versatile trailer equipped to handle both 96 in. (244 cm) and 88 in. (224 cm) cargo pallets, as well as one 239 in. (607 cm) container or two 125 in. (318 cm) containers.

KEY FEATURES

1. Durable 2.5 in. (6 cm) bed rollers for easy pallet or container maneuverability
2. Spring-loaded pallet locks secure cargo in place
3. Towbar-activated rear-wheel brakes for increased safety
4. Adjustable roller racks accommodate side or end loading, and provide flexibility for any operation
5. Sealed bearings prevent contamination and eliminate the need for lubrication, providing maximum uptime

OPTIONS

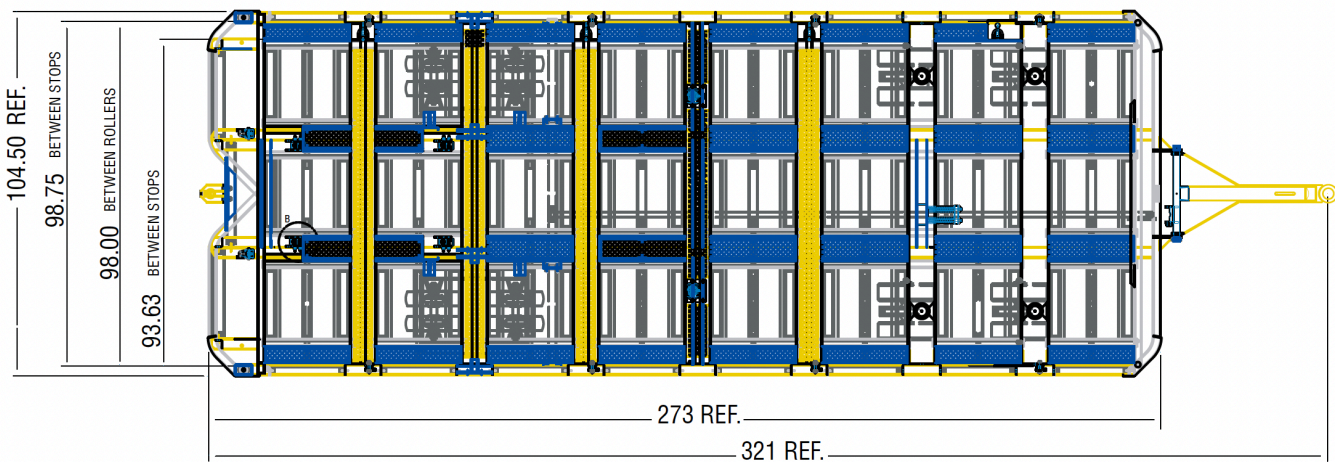

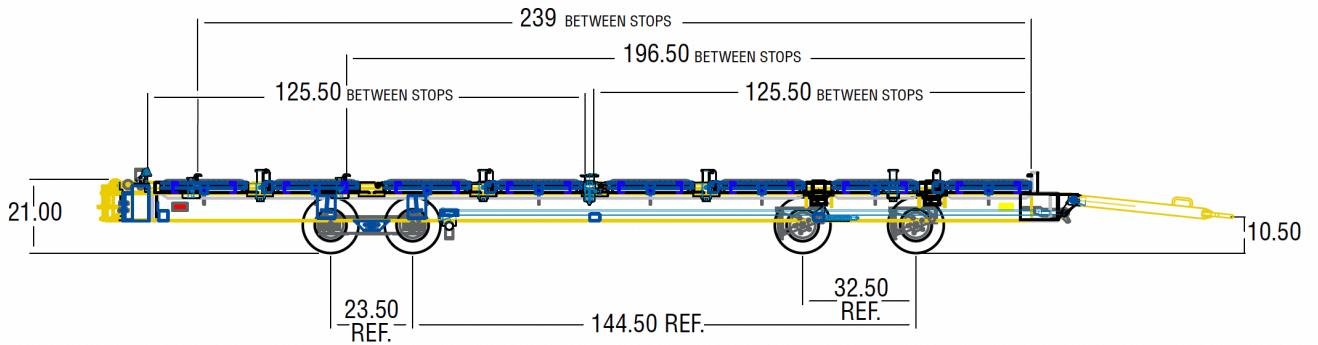

- Optional hot-dip galvanizing further resists corrosion to protect the investment
