

BRAVO CART

Protect up to 8,000 lbs. from the elements.

Move more baggage faster with a reinforced steel cart designed for years of rugged use. This popular cart is stocked and ready to ship, offering faster turn-around times with no minimum quantities. The BRAVO Cart can also be ordered with options for customization.

KEY FEATURES

1. Vinyl curtains to protect baggage from the elements
2. Corner bumpers to protect from damage on the ramp
3. V-style floors to move moisture away and reduce baggage drag
4. Full 360-degree fifth-wheel rotation allows the carts to track in any direction for safety and easy maneuverability

OPTIONS

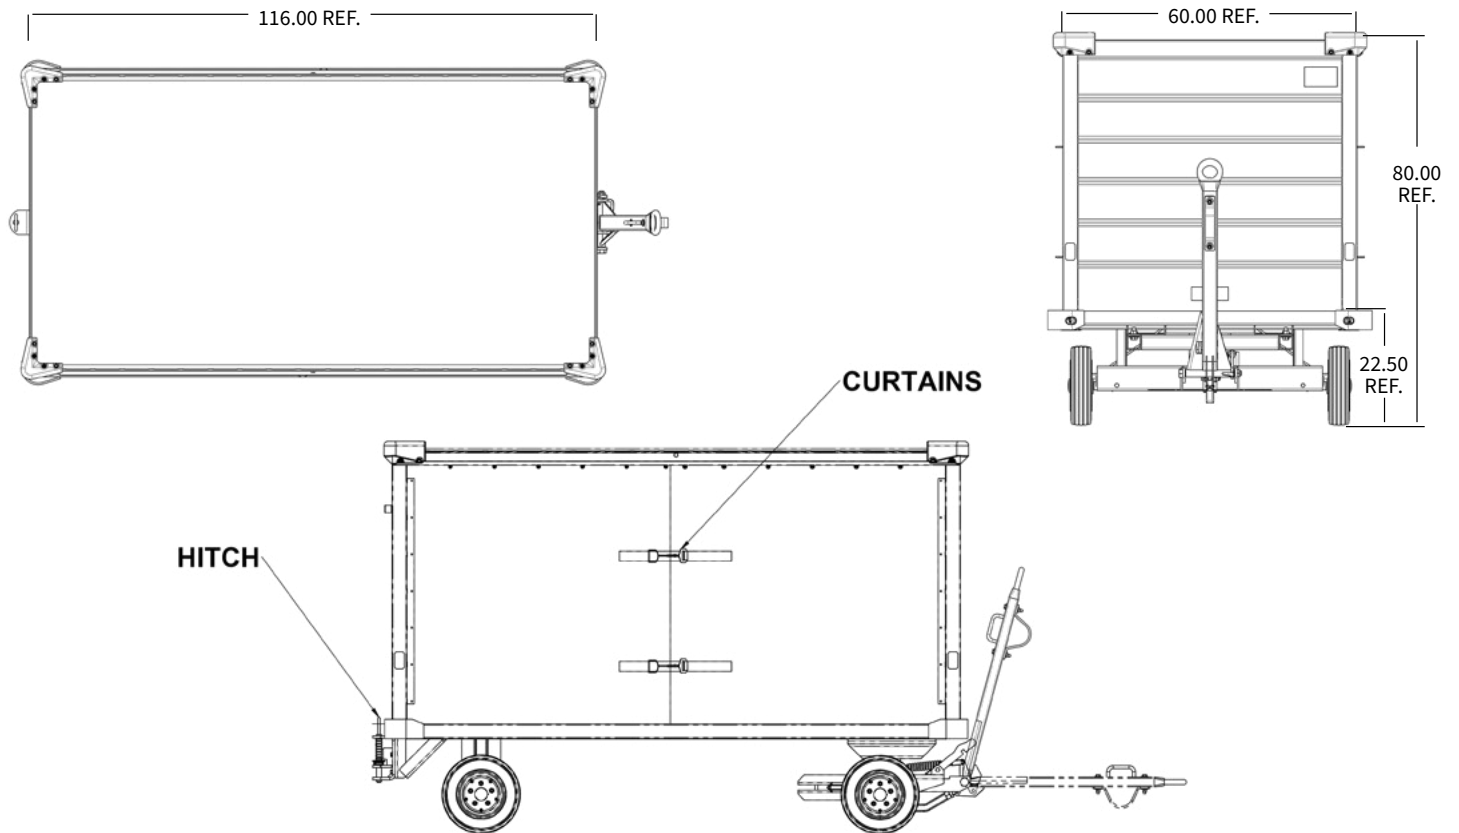

- Bolt-in shelves to manage baggage placement
- Rigid mount or four-wheel independent torsion axles
- Additional options are available for further customization
- Quick-Stop Brake compatible: Specifically designed to minimize potential hazards to ramp agents or aircraft strikes, the FAST Towbar Quick-Stop Brake is able to bring a moving baggage/cargo cart to a stop, if it accidentally becomes detached.
