

CONTAINER SORT PLATFORM

Improve work efficiency on the ramp.

Get a large sorting space on a hydraulically adjustable platform that brings its own lighting with it. Our Container Sort Platforms incorporate our same durable, long-lasting design and components while offering a work platform suited to any height up to 60 in. Simply use the hydraulic controls to raise and lower the platform to eliminate strain and increase productivity.

KEY FEATURES

1. Three LED lights with integrated light shielding to the above airways enable around-the-clock operation
2. The large platform deck uses slip-resistant surface around the swivel casters for slip resistance in any type of weather
3. Removable perimeter handrails increase sorting flexibility
4. Built-in heavy-duty towbar for maximum durability and maneuverability
5. Bumpers around perimeter prevent damage upon contact with the truck or dock

OPTIONS

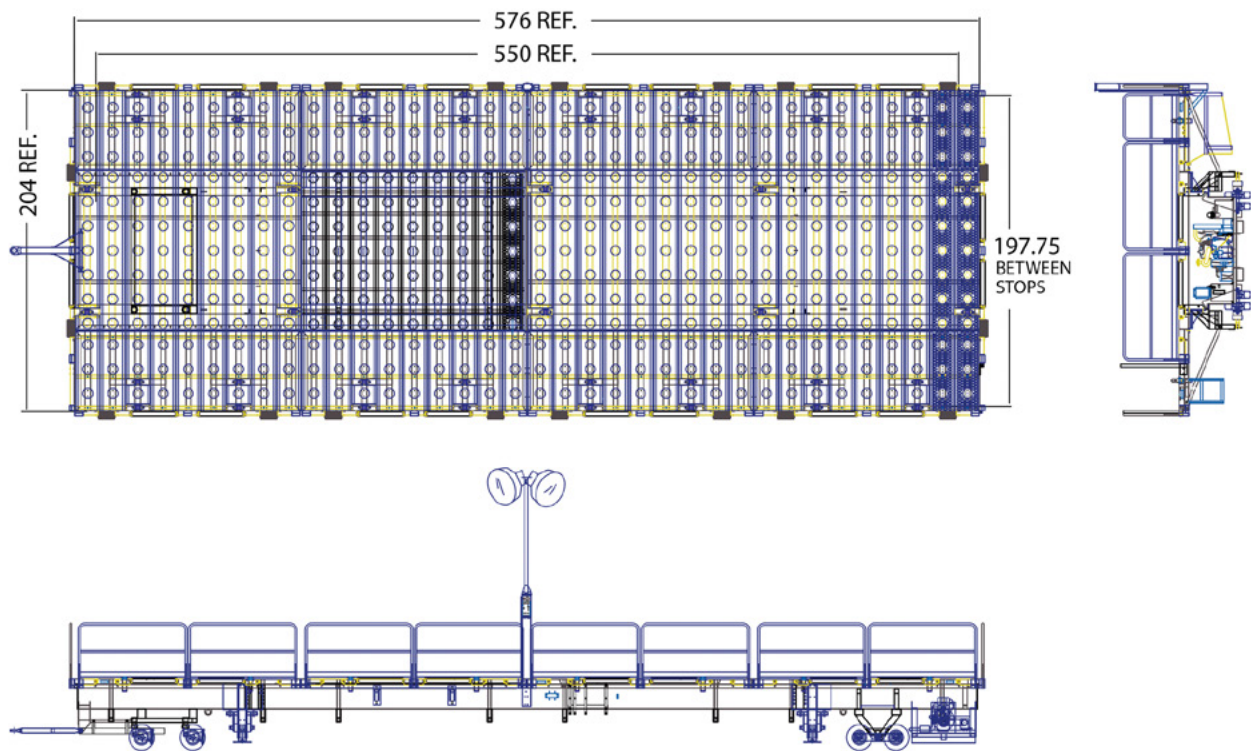

- 12 V DC, 2 gpm (8 lpm) emergency hydraulic pump available
- Choose from a 20.4 HP Kubota® diesel engine or a 480 V 3-phase electric motor
