

# MOBILE SCISSOR LIFT

## Reach new heights quickly and easily with this engine-powered scissor lift.

The large 101 x 126 in. platform (257 x 320 cm) has a capacity of 15,000 lbs. (6,804 kg) to easily hold everything needed for loading and unloading on the ramp. Four hydraulic stabilizer cylinders and two hydraulic lift cylinders provide smooth and reliable operation to raise the platform from 20.5–64 in. (52–163 cm).

### KEY FEATURES

1. Control stations on opposite sides of deck for convenient access
2. Swivel caster deck with Grip Strut™ walking surface
3. Work lights on all four corners allow for around-the-clock operations
4. Towbar extends and contracts for easy use and storage
5. Solid tires prevent flats from impacting operation

### OPTIONS

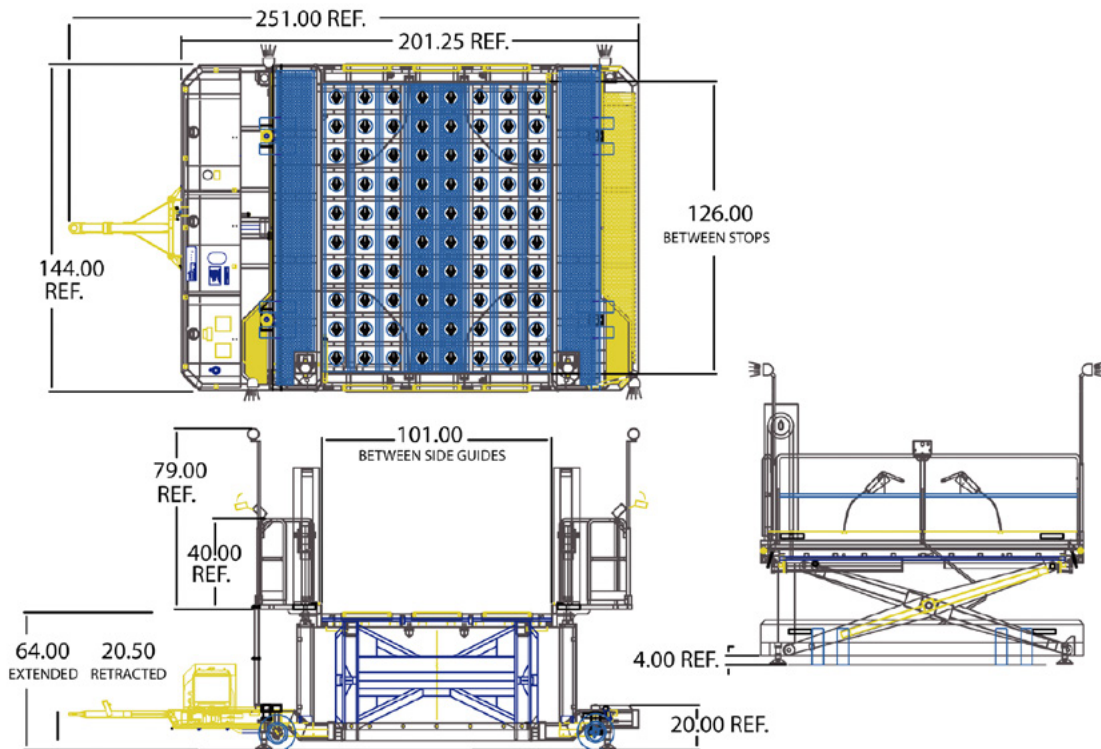

- Choose from a roller bed deck or the standard swivel caster deck with Grip Strut™ walking surface
- Powered by a 19.5 HP Kohler® gas engine or choose a 20.3 HP Kubota diesel engine
