

ROLLER BED CARGO DOLLY

Efficiently maneuver heavy loads.

Engineered for maximum durability and performance, the Roller Bed Cargo Dolly from FAST Global Solutions is the ultimate solution for transporting pallets and containers with ease and confidence. Designed in a European-style configuration, this dolly supports up to 15,000 lbs. (6,804 kg) of cargo, making it ideal for demanding ground support operations.

KEY FEATURES

1. Towbar activated rear-wheel brakes for increased safety
2. Heavy-duty 2.5 in. rollers (6 cm) with sealed bearings maximize longevity
3. Durable powder coating provides increased durability
4. Front swivel casters steering for better tracking and in-line towing
5. Radius-cut corners reduce risk of damage

OPTIONS

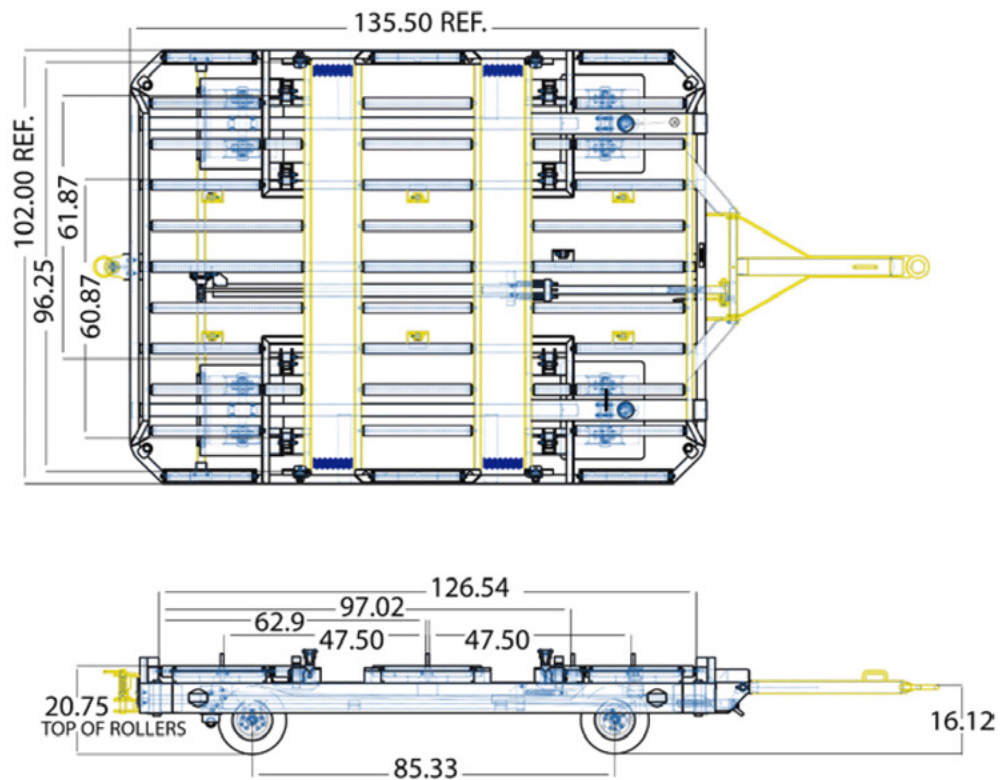

- Optional hot-dip galvanizing gives additional corrosion resistance
- Custom powder-coated color choices
